Final Report, Publications, and Presentations Resulting from this Project

Final Project Report, April 2003

- [Executive Summary](#) (8 pages, 109K)
- [Full Report](#) (54 pages, 799K)

Glanville, T.D., R.A. Persyn, and T.L. Richard. 2002. [Water Quality Implications of Using Composted Organics on Highway Right-of-Way](#). ASAE Paper No. 022052 presented at ASAE International Meeting, Hyatt Regency Chicago, Chicago, Illinois, USA. July 28 - July 31, 2002.

Richard, T.L., R.A. Persyn, and T.D. Glanville. 2002. [Cover Crop Production and Weed Control on Highway Right-of-Ways Using Composted Organics](#). ASAE Paper No. 022051 presented at ASAE International Meeting, Hyatt Regency Chicago, Chicago, Illinois, USA. July 28 - July 31, 2002.

Persyn, R.A., T.D. Glanville, and T.L. Richard. 2002. [Evaluation of Soil Erosion and Soil Erodibility Factors for Composted Organics on Highway Right-of-Ways](#). ASAE Meeting Paper No. 022081 presented at ASAE International Meeting, Hyatt Regency Chicago, Chicago, Illinois, USA. July 28 - July 31, 2002.

Glanville, T.D., T.L. Richard, and R.A. Persyn. 2001. [Impacts of Compost Application on Highway Construction Sites in Iowa](#). ASAE Meeting Paper No. 01-012076 presented at ASAE International Meeting, Sacramento Convention Center, Sacramento, CA. July 30- August 1, 2001.

Project News Releases

[Compost controls erosion at highway construction sites](#) (College of Agriculture Communications Service, Iowa State University, Iowa State University, November 25, 2002)

[Researchers seek ways to recycle waste](#) (Iowa State Daily, January 23, 2001.)

[Students learn in compost study](#) (Iowa State Daily, November 27, 2001)

[Study brings compost to road construction sites](#) (Iowa State Daily, November 30, 2001)

[ABE: Let it Rain](#), (Marston Muses, ISU College of Engineering Alumni Magazine, Fall, 2001)

[Why Would Someone Create An Artificial Storm?](#) (KCCI News, Des Moines, IA August 21, 2001)

[Testing Compost for Erosion Control](#) (College of Agriculture Communications Service, Iowa State University, January 11, 2001)
